

Dear Erasmus Partner,

We want to inform you that we have revised the regulations of the language certificate.

We used to accept only the following four official German language certificates for the application at the Heinrich-Heine University:

[www.testdaf.de](http://www.testdaf.de) , Goethe-Zertifikat des Goethe Instituts, Deutsches Sprachdiplom der Kultusministerkonferenz or Telc,

Now, we also accepting any other German language certificates!

However, if the students submit a language certificate other than the aforementioned official certificates, they will be invited to a telephone interview by us, the ERASMUS+ Office Medicine, in order to make sure that the students' German language skills, especially the oral skills, correspond to the required B1 level.

Please also note, that we still accept nominations for the Summer Term 2019 until the 15th of November.

We are looking forward to receiving many nominations from you J

You can check up all the information on our website:
