

Dear Colleagues,

We are delighted to share with you an exciting opportunity for your students "**The Hebrew University of Jerusalem Summer Science Internship Program 2018**" and would be happy to welcome your students this summer.

Leading scientists from the Hebrew University will be pleased to host your students for an credit bearing 4 week summer individual internship program during June – July 2018 (can be extended on consultation with supervisor).

Excellent senior undergraduate and graduate students will be welcome to join their vibrant international groups and benefit from a cutting-edge research group environment.

Social programs will be offered as a supplementary component to the research internship on evenings and Fridays (weekend in Israel).

Full details are attached and in our [website](#)

We welcome you and Interested students to join the **Summer Science Internship webinar** (virtual informational meeting), The webinar will take place on March 12th at 14:00 Israel Standard time. To join the meeting please follow this [link](#)

We kindly request you circulate this opportunity to relevant students in your university.

We look forward to hearing from you.

Best Wishes
Jane Turner
